

# ONLINE PUBLIC MEETING

I-11 Tier 1 EIS Online Public Meeting | July 31 - August 31, 2020

## NDOT's Online Public Meeting is Live! We want to hear from you.

The Nevada Department of Transportation (NDOT), in cooperation with the Federal Highway Administration (FHWA), is advancing the development of the Interstate 11 (I-11) Corridor Tier 1 Environmental Impact Statement (EIS) through the Las Vegas metropolitan area.

**What are the benefits? How could this impact you and the community?**

## YOUR FEEDBACK MATTERS

The Online Public Meeting will provide you the opportunity to learn about the NDOT I-11 Tier 1 EIS project through the Las Vegas metropolitan area and current planning efforts. During the 24/7 Online Public Meeting, you will have the opportunity to ask questions and provide feedback regarding the proposed corridors.

Your participation is a key element to the success of this project. **Submit your comments and questions** at any time during the course of the Online Meeting.

*All comments must be submitted by 5 p.m. on August 31, 2020 to be included in the Project Final Summary Report.*
